

CALDWELL BOARD OF HEALTH

The Caldwell Health Department is located at 1 Provost Square, within the Caldwell Community Center and is open Monday-Friday, 8:30am – 4:30pm. We can be reached by calling 973.403.4623 or by e mail at: mburak@caldwell-nj.com.

The Caldwell Board of Health is responsible for the day to day functions of the Health Department which includes the administering of retail food and pet licenses, handling complaints, and Vital Statistics, which includes the recording of all Births, Deaths, Marriages, and Civil Unions that occur within a municipality.

10 ESSENTIAL PUBLIC HEALTH SERVICES

The Caldwell Board of Health is dedicated to providing the highest level of public health services to our residents. The Health Department works to ensure that the “10 Essential Public Health Services” are met. These include:

Monitor health status to identify and solve community health problems.

Diagnose and investigate health problems and health hazards in the community.

Inform, educate, and empower people about health issues.

Mobilize community partnerships and action to identify and solve health problems.

Develop policies and plans that support individual and community health efforts.

Enforce laws and regulations that protect health and ensure safety.

Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

Assure competent public and personal health care workforce.

Evaluate effectiveness, accessibility, and quality of personal and population-based health services.

Research for new insights and innovative solutions to health problems.

To that end, the Caldwell Board of Health contracts with the Township of Bloomfield for its Public Health Services. These services include

Environmental Health: Link to retail food establishment inspections

Public Health Nursing: Link to calendar of clinics

Health Education: Link to health education page

Animal Control: Link to dog license and to shelter

The Health Department hosts a variety of health education and promotion programs for the community. Programs such as Alcohol Abuse Control, Drug Abuse Control, Smoking Prevention and Cessation, Nutrition, Injury Control, HIV/AIDS Education are coordinated in collaboration with other agencies servicing the community.

Our goal is to help individuals of all ages increase life expectancy and improve their quality of life. We provide the following services. We can also create a tailor-made program to fit your needs.

File of Life program

Preventing Memory loss for Older Adults

"Don't Delay-Preparing your Future Step by Step" legal, health and financial concerns for Older Adults

Communities Emergency Response Team (CERT) program

Communication (HAZCOM) Training

Chronic Disease Management Programs

Weekly Health Tips E-mail Series

These programs are coordinated and presented by the Health Educator or health professionals who are experts in their field.
