

GROUP EXERCISE CLASS DESCRIPTIONS

Aquacise: Is a multi-level pool workout that offers both cardiovascular, muscle conditioning using dumbbells, abdominals, and range of motion with balance work. Men and women of all ages are welcomed. No swimming skills required.

Balls, Glides & More: A multi-level style workout designed to challenge your level of fitness. Using gliding discs, resist-a-balls, medicine balls, weights or bands to strengthen your core.

Boot Camp: Drop and give me 20! Class utilizes challenging segments of cardiovascular work, muscle conditioning and other drills—just like in the Army!

Chair Fitness: Strength Training with balance work seated in a chair. Must bring your own weights. This is a senior program but all are welcome.

Chair Yoga: Yoga done in a chair or using the support of the chair. This is a senior program but all are welcome

Cycling: Indoor Cycling is a group exercise class done on stationary bikes with gears and RPM's. During the class the instructor simulates a ride. Together, you travel on flat roads, climb hills, sprint and race! It is truly a fantastic cardiovascular class.

Explore the Barre/Pilates: Barre-based classes use a combination of postures inspired by ballet and other disciplines like Yoga and Pilates. The barre is used as a prop to balance while doing exercises that focus on isometric strength training (holding your body still while you contract a specific set of muscles) combined with high reps of small range-of-motion movements. May incorporate light weights and mats for targeted core work.

Get Started: Just starting out? Unfamiliar with classes? This class is for you! Easy to follow, low-impact aerobics with weight or resistance training and never getting down on the ground. Great music, great fun. Suitable for entry-level workouts and Age 50+ members.
